Sir,

Subject:- Boundaries- Mysore South Kanara frontier- discrepancy in the position of cairns - orders to rectify- requeste

*****

It was noticed during inspection that cairns 919, 920 and 921 on the frontier line between Mysore and South Kanara lying along Madibare Reserved Forest on the British side and Kodachadri Forest on Mysore side are not in their proper positions according to the descriptive memorandum and the boundary map. Extracts from the descriptive memorandum and boundary map showing in addition on the map the present positions of the cairns 919,920 and 921 on the ground, are enclosed for perusal. It will be seen from the above that a new cairn has been built to the north of cairn 918 at a distance of 173 feet and numbered as 919 and old cairns 919 and 920 have been renumbered as 920 and 921 respectively. The old cairn no. 921 was not found in its proper place which is believed to have been dislodged by way-farers. Near the present cairn 921 which ought to be the place of cairn 920 according to the map and descriptive memorandum there is [illegible] and 921" chiselled on a living rock close by.

pp 1 and Map vide adm K on 11.12.13 of G.O. 1156 Rev (K). 15.7.1946

On close examination it was seen that the number 920 was corrected into 921. Further according to the descriptive memorandum cairns 921 and 922 are intervisible, but present cairns 921 and 922 on the ground are not intervisible. Further traces of a dilapidated cairn between the present cairns 921 and 922 are visible and its position roughly corresponds to cairn 921 shown on the boundary map.

2. The District Forest Officer of old Mangalore North Division who inspected the line in 1935 found the positions of these cairns on the ground to agree with the descriptive memorandum and boundary map. These discrepancies were noticed by the District Forest Officer of old Mangalore North Division in 1938 during his next inspection. The District Forest Officer, Sagar of the Mysore Forest Department to whom references were made on this point, agrees with me that the present cairns 919, 920 and 921 are wrongly situated on the ground. A copy of his letter No.1228, dated 24-4-1940 is enclosed.

3. A comparative statement of measurements from cairn to cairn of this portion of the line is given below for further elucidating the fact.

Cairns. From.	To.	Boundary map measurement in feet	Measurement recorded by Dt. Forest Officer in 1935 in ft.	Measurement recorded by Dt. Forest Officer in 1938 in ft.	Remarks.
918	919	501	598	173	
919	920	1227	1232	697	
920	921	1135	1144	1345	
921	922	528	528	1500.	

4. It is therefore suggested that the present

cairn 919 on the ground should be removed and numbers 919 and 920 should be chiselled on the present cairn 920 and 921 and a new cairn with number 921 constructed at its old trace.

168 15 ~~3~~ 8 ~~3~~

5. Under the G.O. Ms No.1760, Revenue Department, dated 14-8-1936, communicated with C.C.P Mis 380, dated 4-9-1936 rectification of the above line cannot be undertaken without the concent of both the Governments. I therefore request that necessary orders of the Government may please be obtained for rectification of the above line.

Sd/ H.Kesavanunni Nayar.
District Forest Officer
South Kanara.

Subject:- Boundaries- Mysore South Kanara Frontier- inspected during 1938-39 - discrepancy noticed.

*****

With reference to your letter No.C.No. 1056-05, dated 13th April 1938 regarding the above, I have the honour to state that I also inspected the line during last month and found that a new cairn has been built to the north of cairn No.918 and numbered as 919. My remarks regarding C.Nos 919, 920 and 921 are the same as yours.

The change is done without my knowledge and authority and none of the subordinates of my department have done it.

Since these cairns are all situated quite close to the path leading to Kodachadri Hill Top, which is visited by many people every year, it is not possible for me to make out who has meddled with these cairns.

Board of Revenue.

G.W.Priestley, Esquire, I.C.S., Commissioner of Land Revenue and Irrigation.

:-:

Read the following papers:-

Endorsement from Government, Revenue Department, No.1237/C-41.1 dated the 21st April 1941.

REFERENCE.

With reference to the Government Endorsement cited above, the Board submits that it has consulted the Assistant Director, Central Office, Madras, in the matter. He states that the proposals of the District Forest Officer, South Kanara to restore the settled boundary between the Mysore State and the South Kanara District along the Madibare Reserved Forest on the British side and the Kodachadri Forest on the Mysore side may be accepted. The Board agrees with him and requests that the Government may be pleased to accord necessary sanction for rectifying the discrepant boundary in consultation with the Mysore Government, with reference to G.O.No.1760 Revenue dated the 14th August 1936.

2. As no survey operations are involved, the work may be entrusted to the Forest Department, jointly attested verification sketches may be prepared in duplicate, and one copy may be sent to the Mysore Government.

3. Half the cost of the work may be recovered from the Mysore Government.

N. Krishnaswami

Date

4/25

The D.F.O., S. Kanara has reported that during inspection of the frontier boundary line between Mysore and S. Kanara lying along Madibane Reserved Forest on the British side and Kodachadri Forest on the Mysore side, it has been found that Cairns nos 919, 920 and 921 are not in their proper position. A sketch showing the correct position of the Cairns according to the descriptive memorandum printed in G.O. no 1156 Rev of 15.7.1926 and the present position of the Cairns on the ground is enclosed. It will

p 2 cf

11 cf
sketch not with enc

* on pp 12-13 of (h)

It will be seen from the sketch
that a new Cairn has been built
to the north of Cairn 918 at a distance of 173 feet and
numbered as 919 and old Cairns
919 and 920 have been renumbered
as 920 and 921 respectively. The
old Cairn no 921 has not been
found in its proper place and
is believed to have been dislodge
by ~~way~~-farers. Near the present
Cairn no 921 which ought to be
the place of Cairn no 920 according
to the descriptive memorandum. x on pp 12-13 of (K)
the words and figures "M.S.K and 921"
are chiselled on a living rock
~~Closely~~ Closeby. On closer examination
it ~~has been~~ is found that the no 920
has been Corrected into 921. Further
According to the descriptive memorandum
Cairns 921 and 922 are intervisible
but the present Cairns 921 & 922
on the ground are not intervisible
Also traces of a dilapidated Cairn
between the present Cairns 921
and 922 are ~~traces~~ visible and its
position roughly Corresponds
to Cairn the original Cairn no 921 shown in the Sketch

2. ~~It is accordingly suggested~~ P.T.O.

The D.F.O. Sagar Division of the Mysore State to whom a reference was made on this point by the D.F.O. ~~Mangalore Division~~, of this Govt. agrees with the latter that the present Coupes 919, 920 and 921 were wrongly situated on the ground. A copy of the letter of the D.F.O., Sagar Divn., no 1228 of 24-4-1940 is enclosed for reference.

2. ~~It is accordingly suggested~~ The Govt of Madras consider that this discrepancy in the position of the Coupes should be rectified. I am directed to request whether the Mysore Govt agrees to the proposal and to bear half the cost of the work.

To A.S.

Please see the letter from the Chief Conservator of forests and its encls on pp 1-9 cf., and the Board's remarks thereon on p. 13 cf.

pp 3-5 cf, p 7 cf — 2. The A.F.O., S. Kanara and the A.F.O., Sagar Divn., Mysore have agreed as to the discrepancy in the position of the Cairns. The Board of Rev request that Govt may accord necessary sanction for rectifying the discrepant boundary in consultation with the Mysore Govt. with reference to G.O. no 1760 Rev dt 14-8-1936. It is presumed that the boundary is being maintained by a single line of Cairns. If this is so according to the order in G.O. para 2 of G.O. no 2780 Rev dt 26-10-19 the cost of rectifying the boundary position of the Cairns referred to in the A.F.O.'s letter should be shared by the Madras and the Mysore Govts. The Board's recommendation that half the cost of the work may be recovered from the Mysore Govt may be accepted. The suggestion in para 2 may also be accepted. A draft letter to the Secy to
